

General Training Writing Task 1 Sample 35:

You should spend about **20** minutes on this task.

You have rented a four-bedroom house, which you share with two other students. However, there are several problems with this house that need fixing. You also find it expensive and would like to find another student to share the spare bedroom.

Write a letter to the estate agency. In the letter

- explain the situation
- describe the problems with the house
- say what you would like to happen

You should write at least **150** words.
